www.equikids.org

On behalf of EQUI-KIDS Therapeutic Riding Program, I would like to extend our most sincere appreciation for your generous gift basket for our 11th Annual Cross Country Run.

Since 1989 EQUI-KIDS has been fulfilling its mission to provide, promote and support equine assisted activities to individuals who have mental, physical, emotional, social or learning disabling conditions.

Our horses and ponies provide therapy to hundreds of riders each year, and our ridership program offers support to individuals with Down syndrome, amputation, multiple sclerosis, cerebral palsy, autism, learning disabilities and more. Below is just one of the hundreds of stories your support makes happen through our therapeutic riding program:

"EQUI-KIDS Therapeutic Riding has made our son's life more enriched and has given him a sense of pride. It has helped him develop social and communication skills; and what a thrill to hear him tell his horse "Walk on!" . . . seeing him ride off with joy and confidence!" Jennifer and Dave Clement

The Clements family's story is one of hundreds made possible, each and every day, thanks to your shared compassion to make a difference in the lives of others. Through your in kind donation and support, we are able to achieve our mission to serve the disabled community, and for that we are incredibly grateful. *Thank you.*

Warmest Regards,

Jill Haag
Executive Director
